RE: Rockwool RAN-5 Facility, Jefferson County

Dear Dr. Wimer,

Thank you for your June 23, July 2, and July 14, 2021 letters to this agency, requesting that the WVDEP investigate activities occurring on the Rockwool site that you allege violate Rockwool's Multi-Sector Stormwater registration. We have referred the matter to Environmental Enforcement and will forward the results of their investigation once completed, but, as this matter is the subject of currently pending litigation before the West Virginia Environmental Quality Board, to which litigation you are a party, we cannot offer further comment until the investigation is complete.

Sincerely,

Katheryn Emery, P.E.
